Privacy Policy.

Protection of your company's privacy and your personal data is an important matter for us. In order to guarantee you a high level of transparency and security, our declaration on data protection as set forth below will inform you as to the nature, scope and purpose of any collection, use and processing of information and data recorded by us.

Use of Personal Information.

Any information you submit through any of our channels will be held in the strictest confidence and will only be used as a tool to ensure that best practice is met when proposing products and solutions. In no way will your personal information ever be used without your consent. To ensure this, all forms on our website that send information to a database that may be used in the future, e.g. mailing lists, registration, etc., have checkboxes where you specify whether or not you would like to receive information from us in the future. Be assured that we do not sell our name and address lists. If you choose to receive information from us, each message will also include instructions on how to "unsubscribe" from future mailings should you wish to cancel future marketing from Timezone Digital Storage Ltd.

The only information we automatically collect is that related to the use of our website and meetings with our company's representatives.

Website information is gathered through our servers' log files. These log files record generic information, such as the number of visits our website receives, the types of browsers used and the number of files downloaded, but never personal information. This log file information allows us to create better content aimed at our user's preferences.

Timezone Digital Storage Ltd does not collect information that personally identifies individuals except when individuals provide such specific information on a voluntary basis. There may be occasions where specific personal information is requested before an individual can enter certain sections of Timezone Digital Storage Ltd's site. In all such cases, Timezone Digital Storage Ltd will collect only information that is voluntarily provided by the user and undertakes that such information will be kept strictly confidential. Any such individual information provided to Timezone Digital Storage Ltd will not be sold or made available to a third party.

Use of Cookies.

Some of our pages use a feature of your browser called a "cookie." Cookies, by themselves, are not able to extract any personal information from you. This cookie automatically identifies your computer – but not you – to our servers when you visit our site. Unless you specifically tell us, Timezone Digital Storage Ltd will never know who you are, even though we may assign your computer a cookie. Also, Timezone Digital Storage Ltd's website can only read cookies created by Timezone websites. Cookies allow us to personalise our site and to provide you with information that fits your specific needs and requirements.
